**CELL-A-NET Printer Services (a division of CELL-A-NET Inc.) recognized as  
HP Certified Channel Solutions Partner**

CELL-A-NET Printers Services headquartered in Mississauga is pleased to announce it has been designated by Hewlett-Packard (Canada) as an HP Certified Channel Solutions Partner. This exclusive designation is only awarded to a select group of elite HP partners who have completed rigorous solution training certification and have demonstrated an ability to deliver the highest level of service quality on HP printer solutions.

There are two main pillars to the HP branded Solutions offering: HP E-Print and HP Access Control.

“As the tablet and smartphone usage continue to proliferate in the business world, more and more users are demanding the ability to print from their mobile devices. With HP E-Print Solutions, we can provide that capability to enterprises of all sizes, securely and cost effectively. We are very pleased to grow our Mobile corporate offering to a full suite solution that will help companies of all sizes get more value out of their print/mfp fleet” said Kevin Hiebert, CELL-A-NET’s President & General Manager. “From addressing security concerns with products like SecurePrint and SecurePrint Express, to

Job accounting and rules based printing offerings. The HP ACCESS Control solution is a complete portfolio of printing solutions” added Hiebert.
